CERTIFICATE OF COMPLETION

Date: 02 June 2026

Dear

A.Vanthana

This is to formally certify that you have successfully completed the **Data Analyst Internship** Program at **Elevate Labs**, from **09 April 2026** to **17 May 2026**.

During this period, you demonstrated strong analytical thinking and a solid understanding of data analysis concepts and methodologies. You actively contributed to collecting, cleaning, and interpreting data, creating insightful reports, and supporting data-driven decision-making through meaningful analysis.
You consistently maintained a high level of professionalism, accountability, and collaboration. Your ability to quickly understand business requirements, identify trends, and deliver accurate, well-structured insights reflects strong potential for a successful career as a Data Analyst.

This certificate is awarded in recognition of your successful **completion of the internship program** and your valuable contribution to the organization.

We wish you continued success in all your future endeavors.

CERTIFICATE OF COMPLETION

Date: 02 June 2026

Dear

Pavan M

This is to formally certify that you have successfully completed the **Data Analyst Internship** Program at **Elevate Labs**, from **09 April 2026** to **17 May 2026**.

During this period, you demonstrated strong analytical thinking and a solid understanding of data analysis concepts and methodologies. You actively contributed to collecting, cleaning, and interpreting data, creating insightful reports, and supporting data-driven decision-making through meaningful analysis.
You consistently maintained a high level of professionalism, accountability, and collaboration. Your ability to quickly understand business requirements, identify trends, and deliver accurate, well-structured insights reflects strong potential for a successful career as a Data Analyst.

This certificate is awarded in recognition of your successful **completion of the internship program** and your valuable contribution to the organization.

We wish you continued success in all your future endeavors.

During this period, you demonstrated strong analytical thinking and a solid understanding of data analysis concepts and methodologies. You actively contributed to collecting, cleaning, and interpreting data, creating insightful reports, and supporting data-driven decision-making through meaningful analysis.
You consistently maintained a high level of professionalism, accountability, and collaboration. Your ability to quickly understand business requirements, identify trends, and deliver accurate, well-structured insights reflects strong potential for a successful career as a Data Analyst.

This certificate is awarded in recognition of your successful **completion of the internship program** and your valuable contribution to the organization.

We wish you continued success in all your future endeavors.
